Welcome to Term 1, Week 6

Concept: Journey/Folauga Values: Identity and Diversity

Covid Cases at School

Students with/recovered from Covid: 86

Staff with/recovered from Covid: 12

Staff in Self Isolation as close contacts: 9

It is good to welcome back staff and students returning to school from self-isolation. Please remember those of our community still in self isolation in your prayers. Our Awhina Group continues to support those in self-isolation the best they can.

Attendance

It is pleasing to see more of our students return to school this week. Our students learn best with others and we ask you to send the children who have had 10 days of isolation and do not have any symptoms of omicron, back to school. Children who are ready to be at school need to be at school.

Close Contacts

Self-isolate for ten (10) days. Monitor the symptoms, test on day 8 and return to school when receiving a negative test.

Casual Contacts

Monitor for symptoms. Continue to come to school *if you do not* have any symptoms.

Support our school to stay open:

- Monitor your household for any sign of covid and get a test for anyone with symptoms.
- Any child who shows flu symptoms: cough, has a fever or a headache, or a sore throat must be kept home.
- Make sure a negative result is received before sending a child who had symptoms, to school.
- When asked to self-isolate, avoid having visitors, or your household members visiting other locations.
- Come on to the school grounds **ONLY** if you are fully vaccinated and well.

Next Friday 18 March is 'The Day' for all of us. This is supposedly after the peak infection period of omicron. If we are still open by Friday next week, we will most likely remain open for the whole term. Kia kaha koutou.

Learning From Home

Learning Packs are available, and can be picked up from school. It is best that these are picked up as soon as possible. *Please contact the school office first, before coming to collect, and wait outside the gate, we will bring it to you there.*

Teachers who are well to teach, will notify students when their on-line classes are. Make sure the children are ready for their lessons on time. On-line learning continues after each lesson. On-line teaching finishes at 3:00pm.

SKIDS

Parents who need to be at work early and are unable to pick up their children straight after school, are encouraged to use this service.

Onsite: 022 300 1685 or 027 627 5001
Office: 0800 543 922

Right: Child's prescription glasses found on Vine St, near school last week (green & black). Please contact the school office if they belong to your child.

Support for Schools in Tonga

I would like to acknowledge the insistence of Sione Taufa who managed to get two shipping containers. We currently have some furniture, library books, stationery and other school resources for Queen Salote and Toloa Colleges. We continue to seek learning resources for schools in Tonga.

I would like to acknowledge the support from Remuera Primary, Henderson Intermediate, Weymouth Primary, Robertson Road and Favona Primary School. Many thanks to Mr Tautaiolefua for the hire and the driving of the truck to pick up resources.
