Annual Cultural Extravaganza

It was another great day of celebration and our children did themselves and all of us so very proud. Thanks to those of you who braved the weather to be cheerleaders for our children.

They always perform best when parents, relatives and friends are in the audience.

End of Year Prizegiving Ceremonies

It is the time to celebrate our students' successes throughout the year. It was great to see many of you at these ceremonies that started last week with the Rumaki and the Bilingual Units.

The rest of our prizegiving ceremonies are this week. Thank you for being here and thank you for respecting our Board of Trustees and our school request to use natural or other materials for their 'ula' / 'sei' 'pale'. The huge reduction in using lollies, chocolates and other sweets for these adornments is appreciated. Thank you for caring enough.

End of Year

Be advised that Friday 16 December is our last day for 2022. The school closes at 1:00pm this day.

Values for the Term: Excellence

Excellence is our school value for the term final term. It is important that our children internalise aspects of Excellence as a value. As we plan to for the end of the year, there are a lot that will challenge and push our students, and they need to be the best they can. The two goals starting this week are;

- i. I will be the best that I can always.
- ii. I will encourage others to be their best.
- iii. I will thank those who encourage me.

Do have a conversation with your children at home what these can look like at home and in the community. Thank you in anticipation of your support at home.

Fakauhe lahi, kia orana, fakafetai, vinaka vaka levu, ka rawe, malō, fa'afetai tele lava, falamalō lahi, and thanks for your anticipated support at home.

Sun Safe

It is great to see many of our students turning up at school with sun hats. The sun is getting hot and will continue to be hotter until the end of the year. Melanoma kills and I would like our students to be protected from the sun, and avoid being burnt. Sunburn increases the likelihood of skin cancer. Let's all work together to protect our students.

School Wide Goals

The goals for the rest of the term have been borrowed from the goals some of our classes have been following this term. Please talk with your children about these and provide them with opportunities at home where they have to endure, persist, stick to a task until completion and helping others to complete their tasks or learning.

Thank you in anticipation of your support.

- i. I will endure
- ii. I will persist
- iii. I will stick to task
- iv. I will help
