## Principals Awards Week 4 - Term 1

Congratulations to all our winners of my Principal's Award this week. The Principal's Awards are presented to 2 top students in each class who have been doing very well in class - through their work ethics, completing work on time and to a very high standard, always having a positive attitude, showing our school values in whatever they do, helping and supporting others in class and doing the 'right' thing.

I want to congratulate you all for your excellent effort. My next Principals Awards will be presented in Week 9 of this term.

## School Hats and Shoes

I cannot stress the importance of wearing hats to protect your son or daughter from the harsh sun. The hats need to be navy blue (see page 2 for more details). We do have sunscreen for all students to use when they are playing outside. Wearing shoes outside is important as children get cuts and grazes on their feet because they are not seeing where they are going, so we are pushing for shoes as well as hats to be worn outside at all times.

## Yellow Lines and the School Pedestrian Crossing

It is by law that you cannot stop your car to pick up or drop off your children in front of the pedestrian crossing or park on the yellow lines. Please park away from the yellow lines. Wakelin Ave and Fleming Street are good places to drop off your children. A short walk to and from school using the crossing is a great way to have a little exercise to start and finish the day. Let's keep all of our children and families safe and set good examples for our children.

(1 Ronwood Ave, Manukau) To make things easier for you, we can take your order and payment at the school office for \$12.00. School hats are part of our school uniform so every child needs to get a school hat. Place in your order as soon as possible at the school office.

## Mobile Phones

A reminder that no student should be coming to school with a mobile phone. If they do, they need to bring it to the office in the morning and pick it up after school. If a student is found to have a phone with them during the day it will be confiscated and the caregivers asked to come in to collect it.

Above: Room 7 with their best attendance award and, below, with their Mr Whippy treats for best attendance.

## Before and After School Care

For their safety, children should be collected from school by 3.15pm every day and arrive at school no earlier than 8.30am. It is not the responsibility of the teachers or office staff to look after your children outside of these hours.

There are before and after school care agencies available if you need them:
